

Howrah

Ship: 1098Tons

Captain: Greaves

Surgeon Superintendent: Dr John A. Eaton

Sailed London 26th August 1874 - arrived Wellington 30th November 1874

The Howrah was ten years from the stocks when first chartered for three voyages to New Zealand. she was an iron ship of 1,098 tons, built at Sunderland in 1864 by Pile. During this voyage she encountered some very rough weather. she made the passage in 96 days. During the voyage ten deaths occurred.
